has volunteered to examine Carbondale City Hall and (1) give a "state-of-the-building" report and (2) establish a list of restoration priorities for the building.

On January 23, 1982 at 10 A.M., I will meet him in the lobby of Carbondale City Hall and at that time we will tour/examine the building. This announcement will be made at the meeting of the Committee on January 21. Anyone who is interested in becoming a member of this building tour/examination is, of course, invited to attend.

To whom do we speak to make sure that the building will be open on January 23?

SRP
